WORLD WOMEN LEADERSHIP AWARDS - 2022

World Women Leadership Awards (WWLA) is the foremost international gathering of women leaders designed to discuss and share experiences, strategies, and opportunities with and for women in areas of health, leadership, finance and personal development. This will be the first summit of its kind anywhere in the world, led by power women around the world, for all women across the 7 continents of the world.

The aim is to bring together women service providers, professionals, NGOs, educators, business leaders, entrepreneurs across the 7 continents of the world. Internationally renowned speakers, academicians, researchers, women activists, policymakers and delegates from worldwide will participate in the conference to discuss women and girl child issues and empower women in a global context by offering inspiration, motivation and networking opportunities.

WWLA Vision

To celebrate innovative & extraordinary women and raise a global women community that is an active force in social, economic and cultural development of nations.

WWLA Mission

To reposition women for high performance, improved leadership and strong participation in the economic and social development of the society.

THE WORLD WOMEN LEADERSHIP AWARDS

The WORLD WOMEN LEADERSHIP AWARDS (WWLA) will honor the strategic and influential role of various Women leaders in the development of the modern economy, technology, and administrative methodologies that promotes the advancement of the government and business organization according to the standards of global competitiveness. The WWLA will host its annual World Women Leadership Awards to identify and celebrate the outstanding leadership and achievements demonstrated by Women leaders that are reflected by the distinct innovations and initiatives brought in by them in various private and public sectors.

WWLA 2022 Presented by Business World International Organization -USA, recognizes the outstanding contributions and achievements of women around the world. The World Women Leadership Awards recognize the many women and young women who are leading the way in their chosen fields and making outstanding contributions to sustainable development in their countries, continents and the world at large.

The World Women Leadership Awards also reward individuals, Govt Agencies, companies, investors and development partners whose strategies are proof of their absolute resolve to play a part in the development of women around the world.

WORLD WOMEN LEADERSHIP AWARDS - 2022

The World Women Leadership Awards will be presented at a high-level, exclusive session during the WORLD WOMEN LEADERSHIP AWARDS Gala night. Recipients will be selected for their outstanding commitment and results in society. In the Award Gala Night- World Women Leadership Awards, the group will celebrate and honor the doers and the doing; some of the women who have distinguished themselves and truly excelled in their professional lives, demonstrating innovation, leadership, talent, a strong sense of self-worth, hard work, and a success-driven work ethics around the world.

The award categories will target power women across the 7 continents of the world. The award session will also celebrate and honor men leaders and organizations around the world whose works are directly affecting women's empowerment positively and aiding the promotion of gender equality around the world.
